FOR
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON AUGUST 30, 2017**

This proxy statement (“Proxy Statement”) is furnished to the holders of common shares of beneficial interest, par value \$0.001 per share of Ivy High Income Opportunities Fund (the “Fund”) in connection with the solicitation by the Board of Trustees of the Fund (the “Board”) of proxies to be voted at the Annual Meeting of Shareholders of the Fund to be held on August 30, 2017, and any adjournment, postponement or delay thereof (the “Annual Meeting”). The Annual Meeting will be held at the Fund’s principal executive offices located at 6300 Lamar Avenue, Overland Park, Kansas 66202 at 10:00 A.M. (local time).

This document gives you the information you need to vote on the matters listed on the accompanying Notice of Annual Meeting of Shareholders (“Notice of Annual Meeting”). Much of the information in this Proxy Statement is required under rules of the Securities and Exchange Commission (“SEC”). If there is anything you do not understand, please contact us at our toll-free number 1-800-777-6472.

The Notice of Annual Meeting, the enclosed proxy card and this Proxy Statement (collectively, the “Proxy Materials”) are first being mailed to the Fund’s shareholders on or about June 26, 2017.

Shareholders of record or beneficial owners as of the record date may obtain a free copy of the Annual Report for the fiscal year ended September 30, 2016 and the Semi-Annual Report for the period ended March 31, 2017, which have previously been mailed to shareholders, by writing Ivy Client Services at P.O. Box 29217, Shawnee Mission, Kansas 66201-9217 Attn: Investor Services & Support, by calling toll free 1-800-777-6472 or on the Internet at www.ivyinvestments.com.

- **Why is a shareholder meeting being held?**

The common shares of the Fund are listed on the New York Stock Exchange (“NYSE”), and the rules of the NYSE require the Fund to hold an annual meeting of shareholders to elect Trustees each fiscal year.

- **What matters will be voted on?**

Shareholders of the Fund are being asked to elect the Class I Trustee nominees named in this Proxy Statement, Mr. James D. Gressett, Mr. Joseph Harroz, Jr. and Mr. Glendon E. Johnson, Jr., to hold office until the Fund’s 2020 annual meeting or until their respective successors are elected and duly qualified.

- **Will my vote make a difference?**

Yes! Your vote is important and could make a difference in the governance of the Fund, no matter how many shares you own.

- **Who is asking for my vote?**

The enclosed proxy is solicited by the Board for use at the Annual Meeting to be held on August 30, 2017, and, if the Annual Meeting is adjourned, postponed or delayed, at any later meeting(s), for the purposes stated in the Notice of Annual Meeting.

- **How many votes are required to elect a Trustee nominee?**

The election of a Trustee requires the affirmative vote of a plurality of votes cast by the shareholders at the Annual Meeting at which a quorum (*i.e.*, one-third of the outstanding shares of the Fund entitled to vote at the Annual Meeting) is present. For purposes of this vote, a vote to abstain or withholding your vote (or a direction to a broker or other nominee to do so) and a broker non-vote (which occurs when a broker has not received directions from shareholders and does not have discretionary authority to vote the shareholders' shares) are both not counted as votes cast, and therefore, will have no effect on the outcome of the Trustee election.

- **What happens if shareholders do not elect a Trustee nominee?**

If shareholders fail to elect one or more of the Trustee nominees, then the Board will take such further action as it deems to be in the best interests of the Fund's shareholders.

- **How does the Board recommend that shareholders vote?**

The Board unanimously recommends that you vote "**FOR**" each Trustee nominee named in this Proxy Statement.

The Board has reviewed the qualifications and backgrounds of the Board's Trustee nominees and believes that each is experienced in overseeing investment companies and is familiar with the Fund, its investment strategies and operations and its investment adviser. The Board has approved each Trustee nominee named in this Proxy Statement and believes his election is in your best interests as shareholders.

- **Who is eligible to vote?**

Shareholders of record of the Fund at the close of business on June 16, 2017, are entitled to be present and to vote at the Annual Meeting or any adjournment, postponement or delay thereof. Shareholders on that date will be entitled to one vote on each matter to be voted on for each share held and a fractional vote with respect

to each fractional share held. Shares represented by your duly executed proxy/proxies will be voted in accordance with your instructions. If you sign a proxy card, but do not fill in a vote, your shares will be voted in accordance with the Board's recommendations. If any other business is brought before the Annual Meeting, your shares will be voted at your proxy's discretion unless you specify otherwise in your proxy.

- **Who will bear the costs of proxy solicitation?**

The costs of soliciting proxies will be borne by the Fund.

- **How do you vote your Shares?**

Whether or not you plan to attend the Annual Meeting, we urge you to complete, sign, date and return the enclosed proxy card in the postage-paid envelope provided or vote via telephone or the Internet so your shares will be represented at the Annual Meeting. Instructions regarding how to vote via telephone or the Internet are included on the enclosed proxy card. The required control number for telephone and Internet voting is printed on the enclosed proxy card. The control number is used to match proxy cards with shareholders' respective accounts and to ensure that, if a shareholder executed multiple proxy cards with respect to the Fund, shares are voted in accordance with the proxy card bearing the latest date.

If you attend the Annual Meeting and wish to vote in person, you will be able to do so. If you intend to attend the Annual Meeting in person and you are a record holder of the Fund's shares, in order to gain admission you will be required to show valid photographic identification, such as your driver's license. If you intend to attend the Annual Meeting in person and you hold your shares through a bank, broker or other custodian, in order to gain admission you will be required to show valid photographic identification, such as your driver's license, and satisfactory proof of ownership of shares of the Fund, such as your voting instruction form (or a copy thereof) or broker's statement indicating ownership as of a recent date. If you hold your shares in a brokerage account or through a bank or other nominee, you will not be able to vote in person at the Annual Meeting unless you have previously requested and obtained a "legal proxy" from your broker, bank or other nominee and present it at the Annual Meeting.

All shares represented by your duly executed proxy/proxies received prior to the Annual Meeting will be voted at the Annual Meeting in accordance with the instructions marked thereon or otherwise as provided therein.

If any other business is brought before the Annual Meeting, your shares will be voted at your proxies' discretion unless you specify otherwise in your proxy. **If you sign the proxy card(s), but do not fill in a vote, your shares will be voted in accordance with the Board's recommendations.**

Shareholders who execute proxy cards or record their voting instructions via telephone or the Internet may revoke their proxies at any time prior to the time they are

voted by giving written notice to the Secretary of the Fund, by delivering a subsequently dated proxy (including via telephone or the Internet) prior to the date of the Annual Meeting or by attending and voting at the Annual Meeting. Merely attending the Annual Meeting, however, will not revoke a previously submitted proxy.

Broker-dealers that hold the Fund's shares in "street name" for the benefit of their customers will request the instructions of such customers on how to vote their shares on the election of a Trustee. The Fund understands that, under the rules of the NYSE, such broker-dealer firms may for certain "routine" matters, without instructions from their customers and clients, grant discretionary authority to the proxies designated by the Board to vote if no instructions have been received prior to the date specified in the broker-dealer firm's request for voting instructions. The election of a Trustee is a "routine" matter and beneficial owners who do not provide proxy instructions or who do not return a proxy card may have their shares voted by broker-dealer firms in favor of the proposal. Broker-dealers who are not members of the NYSE may be subject to other rules, which may or may not permit them to vote your shares without instruction. We urge you to provide instructions to your broker or nominee so that your votes may be counted.

- **How many shares of the Fund were outstanding as of the record date?**

At the close of business on June 16, 2017, the Fund had 16,567,087.602 common shares outstanding.

Proposal #1: Election of the Trustee

The rules of the NYSE require the Fund to hold an annual meeting of shareholders to elect Trustees each fiscal year. Shareholders of the Fund are being asked to elect the Class I Trustee nominees named in this Proxy Statement, Mr. James D. Gressett, Mr. Joseph Harroz, Jr. and Mr. Glendon E. Johnson, Jr., to hold office until the Fund's 2020 annual meeting or until their successors are elected and duly qualified.

Composition of the Board of Trustees

The Trustees of the Fund are classified into three classes of Trustees. Set forth below are the current classes of Trustees:

<u>Class I Trustees (1)</u>	<u>Class II Trustees (2)</u>	<u>Class III Trustees (3)</u>
James D. Gressett	Michael G. Smith	Jarold W. Boettcher
Joseph Harroz, Jr.	Edward M. Tighe	James M. Concannon(4)
Glendon E. Johnson, Jr.	Henry J. Herrmann	John A. Dillingham(4)
		Frank J. Ross, Jr.(4)

(1) The Class I Trustees are standing for election at the Annual Meeting. It is currently anticipated that the Class I Trustees will next stand for election at the Fund's 2020 annual meeting of shareholders.

- (2) It is currently anticipated that the Class II Trustees will next stand for election at the Fund's 2018 annual meeting of shareholders.
- (3) It is currently anticipated that the Class III Trustees will next stand for election at the Fund's 2019 annual meeting of shareholders.
- (4) Messrs. Concannon, Dillingham and Ross were appointed as Trustees effective January 1, 2017.

The Trustee nominees, if elected at the Annual Meeting, will hold office for a term in accordance with their class or until their respective successors shall have been elected and duly qualified. The Class II and Class III Trustees of the Fund, as set forth in the table above, will continue to serve under their current terms and will stand for re-election at subsequent annual meetings of shareholders as indicated above.

Unless authority is withheld, it is the intention of the persons named in the proxy to vote the proxy **"FOR"** the election of each Trustee nominee named in this Proxy Statement. Each Trustee nominee named in this Proxy Statement has agreed to continue to serve as a Trustee of the Fund if elected at the Annual Meeting. If, however, a Trustee nominee declines or otherwise becomes unavailable for election, the proxy confers discretionary power on the person named therein to vote in favor of a substitute Trustee nominee as the Fund's Governance Committee may select.

Certain information concerning the Trustees and the officers of the Fund is set forth in the table below. An "interested" Trustee (as defined in Section 2(a)(19) of the Investment Company Act of 1940 (the "1940 Act")) is indicated by an asterisk(*). Independent Trustees are those who are not interested persons of (i) the Fund, (ii) the Fund's investment adviser, Ivy Investment Management Company ("IICO"), a wholly owned subsidiary of Waddell & Reed Financial Inc. ("WDR"), or (iii) a principal underwriter of the Fund, and who satisfy the requirements contained in the definition of "independent" as defined in Rule 10A-3 under the Securities Exchange Act of 1934 (the "Independent Trustees").

Trustees and the Trustee Nominees

The Fund is governed by the Board, which is currently comprised of ten Trustees (as of the fiscal year ended September 30, 2016, the Board was comprised of seven Trustees). A majority of the Board are Independent Trustees. The Board elects the officers who are responsible for administering the Fund's day-to-day operations. The Fund is part of the Ivy Funds Complex (comprised of 45 portfolios within the Ivy Funds, 29 portfolio within the Ivy Variable Insurance Portfolios and three portfolios within the Ivy NextShares Portfolios). The Ivy Funds Complex and the Advisors Funds Complex (comprised of 20 portfolios within the Waddell & Reed Advisors Funds and three portfolios within the InvestEd Portfolios) comprise the Waddell & Reed Fund Complex (the "Fund Complex"). Each Trustee also serves as a Trustee of the Advisor Fund Complex and the other funds in the Ivy Fund Complex.

Trustee Qualifications

The Fund’s Governance Committee is responsible for identifying, evaluating and recommending Board candidates. The Governance Committee reviews the background and the educational, business and professional experience of candidates and the candidates’ expected contributions to the Board. Although the Board has not adopted a formal diversity policy, the Board nevertheless believes that the different perspectives, viewpoints, professional experience, education, and individual qualities of each director contribute to the Board’s diversity of experiences and bring a variety of complementary skills. It is the Trustees’ belief that this allows the Board, as a whole, to oversee the business of the Fund in a manner consistent with the best interests of the Fund’s shareholders.

He has held executive positions with U.S. mutual fund companies and served as a lead independent trustee on a different mutual fund board. Mr. Tighe holds a B.S. of Finance degree from Boston University. Mr. Tighe has multiple years of service as a Trustee to the Ivy Funds Complex and also serves as a Trustee to the Advisors Funds Complex. The Board concluded that Mr. Tighe is suitable to serve as Trustee because of his academic background, his extensive business experience and the length of his service as a Trustee.

The Board's Leadership Structure

The Fund is governed by its Board, which currently is comprised of ten Trustees (as of the fiscal year ended September 30, 2016, the Board was comprised of seven Trustees). The Board is responsible for the overall management of the Fund, which includes general oversight and review of the Fund's investment activities, in accordance with federal law and the law of the State of Delaware, as well as the stated policies of the Fund. The Board has appointed officers of the Fund and has delegated to them the management of the day-to-day operations of the Fund based on policies adopted by the Board, with general oversight by the Board.

The Board is classified into three classes—Class I, Class II and Class III—as nearly equal in number as reasonably possible, with the Trustees in each class to hold office until their successors are elected and duly qualified. At each succeeding annual meeting of shareholders, the successors to the class of Trustees whose terms expire at that meeting shall be elected to hold office for terms expiring at the later of the annual meeting of shareholders held in the third year following the year of their election or the election and qualification of their successors.

Nine members of the Board are Independent Trustees. Mr. Henry J. Herrmann is an interested Trustee of the Fund. An interested person of the Fund includes any person who is otherwise affiliated with the Fund or a service provider to the Fund, such as IICO, the Fund's investment adviser. The Board believes that having a majority of Independent Trustees on the Board is appropriate and in the best interests of the Fund's shareholders. However, the Board also believes that having Mr. Herrmann serve on the Board to bring his viewpoint is an important element in the Board's decision-making process.

Under the Fund's Amended and Restated Agreement and Declaration of Trust (the "Declaration of Trust") and its Amended and Restated By-Laws (the "Bylaws"), a Trustee may serve as a Trustee until his or her term expires, until he or she dies or

resigns, or in the event of bankruptcy, adjudicated incompetence or other incapacity to perform the duties of the office, or his or her removal. The Fund intends to hold annual meetings of shareholders so long as the common shares are listed on a national securities exchange and such meetings are required as a condition to such listing. Delaware law permits shareholders to remove Trustees under certain circumstances and requires the Fund to assist in shareowner communications.

The Board has elected Joseph Harroz, Jr., an Independent Trustee, to serve as Independent Chair of the Board. In that regard, Mr. Harroz's responsibilities include setting an agenda for each meeting of the Board; presiding at all meetings of the Board and the Independent Trustees; and serving as a liaison with other Trustees, the Fund's officers and other management personnel, and counsel to the Fund. The Independent Chair also performs such other duties as the Board may from time to time determine.

The Board holds four regularly scheduled in-person meetings each year. The Board may hold special meetings, as needed, either in person or by telephone, to address matters arising between regular meetings. The Independent Trustees also holds four regularly scheduled in-person meetings each year, during a portion of which management is not present, as well as a special telephonic meeting in connection with the Board's consideration of the Fund's management agreements, and may hold special meetings, as needed, either in person or by telephone.

The Board has established a committee structure that includes three committees: the Audit Committee, Governance Committee and Executive Committee, the first two of which are comprised solely of Independent Trustees. The Board annually evaluates its structure and composition, as well as the structure and composition of those committees. The Board believes that its leadership structure, including its Independent Chair position and its committees, is appropriate for the Fund in light of, among other factors, the asset size and nature of the Fund, the arrangements for the conduct of the Fund's operations, the number of Trustees, and the Board's responsibilities.

Risk Oversight

Consistent with its responsibility for oversight of the Fund, the Board oversees the management of risks relating to the administration and operation of the Fund. The Board performs this risk management oversight directly and, as to certain matters, directly through its committees and through its Independent Trustees. The following provides an overview of the principal, but not all, aspects of the Board's oversight of risk management for the Fund.

In general, the Fund's risks include, among other things, investment risk, credit risk, discount risk, liquidity risk, valuation risk, operational risk and regulatory compliance risk. The Board has adopted, and will periodically review, policies and

procedures designed to address these and other risks to the Fund. In addition, under the general oversight of the Board, IICO and other service providers to the Fund have adopted a variety of policies, procedures and controls designed to address particular risks of the Fund. Different processes, procedures and controls are employed with respect to different types of risks.

The Board also oversees risk management for the Fund through review of regular reports, presentations and other information from officers of the Fund and other persons.

Senior officers of the Fund, senior officers of IICO, the Fund's investment adviser and IICO's affiliated companies (collectively, "Waddell & Reed"), and the Fund's Chief Compliance Officer ("CCO") regularly report to the Board on a range of matters, including those relating to risk management. The Board also regularly receives reports from IICO with respect to the investments and securities trading of the Fund and reports from Fund management personnel regarding valuation procedures. In addition to regular reports from Waddell & Reed, the Board also receives reports regarding other service providers to the Fund, either directly or through Waddell & Reed or the Fund's CCO, on a periodic or regular basis. At least annually, the Board receives a report from the Fund's CCO regarding the effectiveness of the Fund's compliance program. Also, on an annual basis, the Board receives reports, presentations and other information from Waddell & Reed.

Senior officers of the Fund and senior officers of Waddell & Reed also report regularly to the Audit Committee on Fund valuation matters and on the Fund's internal controls and accounting and financial reporting policies and practices. Waddell & Reed compliance personnel also report regularly to the Audit Committee. In addition, the Audit Committee receives regular reports from the Fund's independent registered public accounting firm on internal control and financial reporting matters. On at least a quarterly basis, the Independent Trustees meet separately with the Fund's CCO to discuss matters relating to the Fund's compliance program.

Board Committees

The Board has established the following standing committees: Audit Committee, Executive Committee and Governance Committee. All committee members are Independent Trustees with the exception of Mr. Herrmann. The respective duties and current memberships of the standing committees are:

Audit Committee

The Audit Committee serves as an independent and objective party to monitor the Fund's accounting policies, financial reporting and internal control system, as well as the work of the Fund's independent registered public accounting firm.

The Audit Committee also serves to provide an open avenue of communication among the Fund's independent registered public accounting firm, the internal accounting staff of IICO and the Board. During the fiscal year ended September 30, 2016, the Audit Committee consisted of Edward M. Tighe (Chair), Jarold W. Boettcher and James D. Gressett. Effective January 1, 2017, the Audit Committee consists of Edward M. Tighe (Chair), Jarold W. Boettcher, James M. Concannon, John A. Dillingham and James D. Gressett.

The Board has determined that each of Messrs. Tighe, Boettcher and Gressett have the attributes of an audit committee financial expert, as such term is defined in the federal securities laws. (The identification of a person as having the attributes of an audit committee financial expert does not impose on such person any duties, obligations, or liability that are greater than the duties, obligations, and liability imposed on such person as a member of the Audit Committee and the Board in the absence of such identification.)

The report of the Audit Committee is set forth in Appendix A to this Proxy Statement.

Executive Committee

The Executive Committee acts as necessary on behalf of the full Board. When the Board is not in session, the Executive Committee has and may exercise any or all of the powers of the Board in the management of the business and affairs of the Fund except the power to increase or decrease the size of, or fill vacancies on, the Board, and except as otherwise provided by law. During the fiscal year ended September 30, 2016, the Executive Committee consisted of Henry J. Herrmann (Chair), Joseph Harroz, Jr. and Glendon E. Johnson, Jr. Effective January 1, 2017, the Executive Committee consists of Henry J. Herrmann (Chair), John A. Dillingham and Glendon E. Johnson, Jr.

Investment Oversight Committee

The Investment Oversight Committee reviews, among other things, the investment performance of the Fund, any proposed changes to the Fund's investment policies, and the Fund's portfolio transactions. The Investment Oversight Committee consists of Michael G. Smith (Chair), Jarold W. Boettcher and James M. Concannon. The Investment Oversight Committee was formed on January 1, 2017, and, therefore, was not in operation during the fiscal year ended September 30, 2016.

Governance Committee

The Governance Committee evaluates, selects and recommends to the Board candidates to serve as Independent Trustees. The Committee will consider candidates for Trustee recommended by shareholders. Written recommendations with any supporting information should be directed to the Secretary of the Fund. The Governance Committee also oversees the functioning of the Board and its committees. During the fiscal year ended September 30, 2016, the Governance Committee consisted of Glendon E. Johnson, Jr. (Chair), Jarold W. Boettcher and Glendon E. Johnson Jr. Effective January 1, 2017, the Governance Committee consists of Frank Ross, Jr. (Chairman), John A. Dillingham, James D. Gressett and Glendon E. Johnson, Jr.

The Board has authorized the creation of a Valuation Committee comprised of such persons as may be designated from time to time by Waddell & Reed Services Company, the accounting and administrative services agent for funds in the Ivy Trust, and includes Henry J. Herrmann. This committee is responsible in the first instance for fair valuation and reports all valuations to the Board on a quarterly (or as needed) basis for its review and approval.

During the fiscal year ended September 30, 2016, the Board and the Audit Committee each met five (5) times and the Governance Committee met two (2) times. The Executive Committee and Investment Oversight Committee did not meet during the fiscal year ended September 30, 2016.

During the fiscal year ended September 30, 2016, each Trustee of the Fund attended at least 75% of the aggregate of: (i) all regular meetings of the Board; and (ii) all meetings of all committees of the Board on which the Trustee served.

The Fund does not have a policy with the respect to Board member attendance at annual shareholder meetings, and no Board member attended last year's annual shareholder meeting.

Selection of Nominees

The Board's Governance Committee makes Independent Trustee candidate recommendations to the Board pursuant to its charter. The Governance Committee evaluates a candidate's qualification for Board membership and the independence of such candidate from the Fund's investment adviser and other principal service providers.

The Governance Committee evaluates candidates using certain criteria, considering, among other qualities, a high level of integrity, appropriate experience, a commitment to fulfill the fiduciary duties inherent in Board membership, and the extent to which potential candidates possess sufficiently diverse skill sets that would contribute to the Board's overall effectiveness.

The Governance Committee considers prospective candidates from any reasonable source, including from recommendations by shareholders of the Fund. The Governance Committee initially evaluates prospective candidates on the basis of preliminary information required of all preliminary candidates, considered in light of the criteria discussed above. Those prospective candidates that appear likely to be able to fill a significant need of the Board would be contacted by a Governance Committee member by telephone to discuss the position; if there appeared to be sufficient interest, an in-person meeting with one or more Governance Committee members would be arranged. If the Governance Committee, based on the results of these contacts, believed it had identified a viable candidate, it would air the matter with the full group of Independent Trustees for input.

Any request by management to meet with the prospective candidate would be given appropriate consideration. The Fund has not paid a fee to third parties to assist in finding nominees.

Shareholders seeking to recommend one or more candidates to the Board should direct the names of such candidates they wish to be considered to the attention of the Fund's Governance Committee, in care of the Fund's Secretary, at the address of the Fund listed on the front page of this Proxy Statement. Such candidates will be considered with any other trustee candidates on the basis of the same criteria described above used to consider and evaluate candidates recommended by other sources.

For candidates to serve as Independent Trustees, independence from the Fund’s investment manager, its affiliates and other principal service providers is critical, as is an independent and questioning mindset. The Governance Committee also considers whether the prospective candidates’ workloads would allow them to attend the vast majority of Board meetings, be available for service on Board committees, and devote the additional time and effort necessary to keep up with Board matters and the rapidly changing regulatory environment in which the Fund operates. Different substantive areas may assume greater or lesser significance at particular times, in light of the Board’s present composition and the Governance Committee’s (or the Board’s) perceptions about future issues and needs.

Shareholder Communications to the Trustees

Shareholders and other interested parties may contact the Board or any Trustee by mail. To communicate with the Board or any Trustee, correspondence should be addressed to the Board or the Trustees with whom you wish to communicate by either name or title. All such correspondence should be sent to the attention of Jennifer K. Dulski, Secretary of the Fund, at 6300 Lamar Avenue, Overland Park, Kansas 66202.

Further Information About Voting and the Annual Meeting

One-third of the outstanding shares of the Fund entitled to vote at the Annual Meeting shall constitute a quorum at the Annual Meeting for purposes of conducting business at the Annual Meeting.

The Board has fixed the close of business on June 16, 2017 as the record date for the determination of shareholders of the Fund entitled to notice of, and to vote at, the Annual Meeting. Shareholders of the Fund on that date will be entitled to one vote on each matter to be voted on for each share held and a fractional vote with respect to each fractional share with no cumulative voting rights.

For the purpose of the Trustee election, abstentions or broker non-votes will not be counted as votes cast and will have no effect on the result of the election. Abstentions or broker non-votes, however, will be considered to be present at the Annual Meeting for purposes of determining the existence of the quorum. A “broker non-vote” occurs when shares are owned through a bank or broker in “street” name and the shareholder fails to provide the bank or broker with voting instructions and the bank or broker does not have the discretionary authority to vote the shares on a particular proposal. A broker non-vote may also occur if a broker fails to vote shares for any reason. Because the only proposal to be presented at the Annual Meeting is considered to be a “routine” voting item, the Fund does not expect to receive any broker non-votes.

Instructions regarding how to vote via telephone or the Internet are included on the enclosed proxy card. The required control number for Internet and telephone voting is printed on the enclosed proxy card. The control number is used to match proxy cards with shareholders’ respective accounts and to ensure that, if multiple

proxy cards are executed, shares are voted in accordance with the proxy card bearing the latest date.

If you wish to attend the Annual Meeting and vote in person, you will be able to do so. If you intend to attend the Annual Meeting in person and you are a record holder of the Fund's shares, in order to gain admission you will be required to show photographic identification, such as your driver's license. If you intend to attend the Annual Meeting in person and you hold your shares through a bank, broker or other custodian, in order to gain admission you will be required to show photographic identification, such as your driver's license, and satisfactory proof of ownership of shares of the Fund, such as your voting instruction form (or a copy thereof) or broker's statement indicating ownership as of a recent date. If you hold your shares in a brokerage account or through a bank or other nominee, you will not be able to vote in person at the Annual Meeting unless you have previously requested and obtained a "legal proxy" from your broker, bank or other nominee and present it at the Annual Meeting.

All shares represented by properly executed proxies received prior to the Annual Meeting will be voted at the Annual Meeting in accordance with the instructions marked thereon or otherwise as provided therein. If any other business is brought before the Annual Meeting, your shares will be voted at the proxies' discretion. **If you sign the proxy card, but do not fill in a vote, your shares will be voted in accordance with the Board's recommendation.**

Shareholders who execute proxy cards or record their voting instructions via telephone or the Internet may revoke their proxies at any time prior to the time they are voted by giving written notice to the Secretary of the Fund, by delivering a subsequently dated proxy (including via telephone or the Internet) prior to the date of the Annual Meeting or by attending and voting at the Annual Meeting. Merely attending the Annual Meeting, however, will not revoke a previously submitted proxy.

Discretionary Voting

Broker-dealers that hold the Fund's shares in "street name" for the benefit of their customers will request the instructions of such customers on how to vote their shares on the election of a Trustee. The Fund understands that, under the rules of the NYSE, such broker-dealer firms may for certain "routine" matters, without instructions from their customers and clients, grant discretionary authority to the proxies designated by the Board to vote if no instructions have been received prior to the date specified in the broker-dealer firm's request for voting instructions. The election of a Trustee is a "routine" matter and beneficial owners who do not provide proxy instructions or who do not return a proxy card may have their shares voted by broker-dealer firms in favor of the proposal. Broker-dealers who are not members of the NYSE may be subject to other rules, which may or may not permit them to vote

your shares without instruction. We urge you to provide instructions to your broker or nominee so that your votes may be counted.

Proxy Solicitation

The Fund’s officers and employees of the Fund’s investment adviser (none of whom will receive additional compensation therefor) may solicit proxies by telephone, mail, e-mail and personal interviews. Brokerage houses, banks and other fiduciaries may be requested to forward proxy solicitation material to their principals to obtain authorization for the execution of proxies, and will be reimbursed by the Fund for such out-of-pocket expenses.

To the Fund’s knowledge, all required Section 16 filings were timely and correctly made by reporting persons during the Fund’s most recently completed fiscal year.

Deadline for Shareholder Proposals

The deadline for submitting shareholder proposals for inclusion in the Fund’s proxy statement and form of proxy for the Fund’s annual meeting of shareholders in 2018 is February 26, 2018. Any shareholder proposal that is intended to be presented at such annual meeting, but not submitted for inclusion in the Fund’s proxy statement and form of proxy in accordance with the foregoing sentence, must be received no later than May 12, 2018. Any correspondence should be sent to the Fund, directed to the attention of its Secretary, at the address printed on the first page of this Proxy Statement. The persons designated as proxies will vote in their discretion on any matter if the Fund does not receive notice of such matter prior to May 12, 2018. The mere submission of a proposal or notice of proposal by a shareholder does not guarantee that such proposal will be included in the proxy

statement or otherwise considered at such annual meeting because certain federal rules must be complied with before consideration of the proposal is required.

Other Matters

The management of the Fund knows of no other matters which are to be brought before the Annual Meeting. However, if any other matters not now known properly come before the Annual Meeting, it is the intention of the persons named in the enclosed form of proxy to vote such proxy in accordance with their judgment on such matters.

Adjournment

Failure of a quorum to be present at the Annual Meeting will necessitate adjournment and will subject the Fund to additional expense. The persons named in the enclosed proxy may also move for an adjournment of the Annual Meeting to permit further solicitation of proxies with respect to any proposal if they determine that adjournment and further solicitation is reasonable and in the best interests of the Fund. Under the Fund's Bylaws, an adjournment of a meeting with respect to a matter requires the affirmative vote of a majority of the shareholders present in person or by proxy at the Annual Meeting, or by the chairman of the meeting.

APPENDIX A

AUDIT COMMITTEE REPORT IVY HIGH INCOME OPPORTUNITIES FUND (THE “FUND”)

The Audit Committee of the Board of Trustees of the Fund operates pursuant to a Charter, which sets forth the role of the Audit Committee in the Fund’s financial reporting process. The role of the Audit Committee is to oversee the Fund’s accounting and financial reporting processes and the work of the Fund’s independent registered public accounting firm. The Fund’s Audit Committee is responsible for, among other things, recommending the initial and ongoing engagement of the Fund’s independent registered public accounting firm and reviewing with the independent registered public accounting firm the scope and results of the Fund’s annual audit. Fund management is responsible for establishing and maintaining systems for accounting, reporting and internal controls. The Fund’s independent registered public accounting firm is responsible for planning and carrying out proper audits and reviews.

The Audit Committee met on November 10 and November 15, 2016 to review the Fund’s audited financial statements for the fiscal year ended September 30, 2016. In performing this oversight function, the Audit Committee reviewed and discussed the audited financial statements with the Fund’s management and independent registered public accounting firm, Deloitte and Touche LLP (“Deloitte”), and discussed the audit of such financial statements with Deloitte. The Audit Committee discussed with Deloitte the matters required to be discussed by Statement on Auditing Standards (“SAS”) No. 114 (The Auditor’s Communication With Those Charged With Governance, AU Section 380), which supersedes SAS No. 61 (Communications with Audit Committees) and received the written disclosures and the letter from Deloitte required by Public Company Accounting Oversight Board Rule 3526 (Communications with Audit Committees Concerning Independence). The Audit Committee also discussed with Deloitte its independence.

The members of the Audit Committee are not employed by the Fund as experts in the fields of auditing or accounting and are not employed by the Fund for accounting, financial management or internal control purposes notwithstanding that one or more members may be designated an “audit committee financial expert.” Members of the Audit Committee rely without independent verification on the information provided and the representations made to them by management and Deloitte. Each member of the Audit Committee is not an “interested person” of the Fund within the meaning of the Investment Company Act of 1940, as amended, and has been determined to meet the independence requirements of NYSE.

Based upon this review and related discussions, and subject to the limitation on the role and responsibilities of the Audit Committee set forth above and in the Charter, the Audit Committee recommended to the Board of Trustees that the audited financial statements be included in the Fund's annual report to shareholders for the fiscal year ended September 30, 2016.

The members of the Audit Committee are:

Jarold W. Boettcher
James D. Gressett
